ASSIGNMENT

This Assignment made on Aug 2004, 2004, by **TRUE GRAVITY ENTERPRISES, Inc.**, an Arizona corporation (hereinafter TGE or Assignor) to **Worksafe Technologies**, a California general partnership (Hereinafter Worksafe or Assignee), having a place of business at 25133 W. Avenue Tibbitts, Bldg. F, Valencia, California 91355-3494.

WHEREAS, Assignor is owner and assignee of certain issued Letters Patents and patent applications known as:

U.S. Patent No. 5,599,106 Japan Patent No. 3467513B2
PCT Patent Application Publication No. WO 2004/007871

WHEREAS, Assignee, has acquired all of the above stated Intellectual Property assets held by TGE, including the entire right, title and interest in and to the aforesaid Letters Patents, patent applications and any patents, applications, continuations, divisional, reissue or continuations-in-part that may be granted based on said application in the United States and throughout the world;

NOW, THEREFORE, for good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, and for the sum of one dollar (\$1.00) Assignor hereby sells, assigns and transfers to Assignee its successors and assigns, the entire and exclusive right, title and interest in and to said patents and said application for the territory of the United States of America and all countries foreign thereto (including the right to apply for Letters Patent in foreign countries in its own name and to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties, or otherwise), in and to all Letters Patents granted therefor, and all continuations, divisions, reissues and continuations-in-part thereof.

Assignor represents and warrants that it has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Further, Assignor authorizes and requests the Commissioner of Patents and Trademarks to transfer all applications and Letters Patents on said invention or resulting therefrom to said Assignee, as assignee of the entire right, title and interest, and we covenant that we have full right so to do and agree that we will communicate to said Assignee, or its successors any and all facts known to us regarding said invention whenever requested and will testify in any legal proceeding, sign all lawful papers, execute all divisional, reissue and continuation applications, and generally do everything possible to aid said Assignee, its successors and assigns, to obtain and enforce proper patent protection for said invention in all countries.

IN WITNESS WHEREOF, Assignor has executed this Assignment on the date written hereinbelow.

Executed this 2nd day of Aug, 2004.
